Principles of Political Science

(PPA 1101)

Semester 1/2565

4

Assistant Professor
Dr. Nattapoll Chaichaing

Political Ideologies

- What is political ideology?

The term 'ideology' was coined in 1796 by the French philosopher Destutt de Tracy (1754-1836). He used it to refer to a new 'science of ideas' (literally an idea-ology) that set out to uncover the origins of conscious. (Andrew Heywood,2002,42)

Political Ideologies

- Liberalism
- Conservatism
- Socialism
- Nationalism
- Other ideological traditions
